This new 23,000 SF Page Family Center for Performing Arts will provide dedicated space for The Kings Academy's nationally-recognized Theater, Choir, Band, and Dance programs, after sharing space with the school's athletic teams for 40 years. This state-of-the-art auditorium, which includes a professionally designed stage with full fly space, rigging and catwalk, will accommodate more than 15,000 patrons yearly. Guests will be welcomed with an intimate atmosphere that provides comfortable seating for 800 during chapels, meetings and events. It will also allow TKA's elite band and choir programs a concert hall befitting their dedication to excellence.
